**For the attention of
Ms. Julia Nanay
Managing Director at PFC Energy**

Dear Ms. Julia Nanay!

I would like to convey my sincere gratitude for our fruitful joint work during the 1st Session of the Women Energy Club within the framework of the VIII KAZENERGY Eurasian Forum.

I am certain that all participants and guests of the Session found your speech on theme «Prerequisites for women's leadership in the oil industry» interesting and useful. Your extremely deep understanding and global vision of the issues facing female representatives in the oil-gas and energy sectors and your own vast career experience as an example of women leadership made us very impressed.

I am certain that the expertise, which you brought during your speech, will help to establish mutually beneficial cooperation between Kazakh-American relations in the industry of energy, oil and gas.

It was an honor to meet you and offer hospitality in Astana, hope that you were able to experience the beauty and charm of our young capital.

I look forward to our future cooperation and wish you success in all your noble endeavors.

Sincerely,

*Asset Magauov
General Director*
